

DAVID
s y s t e m s

Do you want to take part in the digital transformation of the media industry? Are you interested in promoting professional software and services that enable our radio and media clients to be highly successful? To strengthen our **Customer eXperience Group** at our **Munich headquarters** we are looking for a

Student worker / Internship (m/f) Product Design

Your tasks:

- Support the product management team towards cross-device capable software application design
- Review current available product design and guide for improvements
- Learn and understand our products
- Provide responsive UI prototypes
- Present to developers and stakeholders for getting feedback
- Break down proposed changes into product backlog items
- Join one of our Scrum Teams and bring in your designer feedback
- Start developing a design guideline for DAVID web applications

Your profile:

- You have first experiences in state-of-the-art software application design
 - Cross-device software design
 - CSS frameworks, like Bootstrap
 - Basic HTML / CSS / LESS / SASS know how
- Excellent skills in documentation
- You act independently and you like to take over responsibility
- You are creative and able to think outside the box

You will join a highly motivated team in a dynamic company with flat hierarchies, flexible working hours and exciting projects with well-known clients. We are located in the heart of Munich at a modern business location well connected to public transportation. If you are looking for a personal challenge in the growing international field of digital media please send your application to Rosemarie Mohr: join@davidsystems.com

About DAVID Systems

DAVID Systems is an enterprise software company, renowned for its open, customizable and scalable software for rich media workflows, deployed in some of the largest and most innovate radio stations and media companies worldwide. The company, founded in 1991, is privately owned and headquartered in Munich, Germany with offices in Berlin and Washington, DC. Customers include the German ARD, the Swiss SRG, RTL102.5 in Italy, France Médias Monde in France, NPR in the USA and NRK and P4 in Scandinavia.
