

DAVID
s y s t e m s

Do you want to take part in the digital transformation of the media industry? Are you interested in promoting professional software and services that enable our radio and media clients to be highly successful? To strengthen our **Research & Development Team** at our **Munich headquarters** we are looking for a

Student worker / Internship (m/f) / Software Test / Web Development

Your tasks:

- Work in a development scrum-team and help to speed up efficiency
- Be responsible for the setup and maintenance of virtual machines
- Perform manual and automated tests on the basis of test runs and explorative testing, create reports
- Support the team by assuring software quality for new features and maintaining current products
- Support the Software Test by testing behavior driven as well as test driven implementation of software components
- Support test automation

Your profile:

- Curiosity for new technologies and for smart deployment technologies, e.g. Docker
- Analytical, goal-oriented and structured way of working, ability to work in teams, good communication skills
- Self-motivated, and responsive to internal and customer requirements
- Microsoft Environment

Nice to have but not a must:

- Audio SW and HW
- Virtualization
- Either one of C++/C#/.Net/WPF/HTML5/JavaScript or others

You will join a highly motivated team in a dynamic company with flat hierarchies, flexible working hours and exciting projects with well-known clients. We are located in the heart of Munich at a modern business location well connected to public transportation. If you are looking for a personal challenge in the growing international field of digital media please send your application with salary expectations and potential start date to Rosemarie Mohr: join@davidsystems.com

About DAVID Systems

DAVID Systems is an enterprise software company, renowned for its open, customizable and scalable software for rich media workflows, deployed in some of the largest and most innovate radio stations and media companies worldwide. The company, founded in 1991, is privately owned and headquartered in Munich, Germany with offices in Berlin and Washington, DC. Customers include the German ARD, the Swiss SRG, RTL102.5 in Italy, France Médias Monde in France, NPR in the USA and NRK and P4 in Scandinavia.
