

## Listening In Action

Being a partner to our customers, our mission is to make their products, programs and content the best! Do you want to take part in the digital transformation of the media industry? Are you interested in promoting professional software and services that enable our radio clients worldwide to be highly successful? To strengthen our **Customer eXperience Group (CXG)** at our **headquarters** in the heart of **Munich** we are looking for a

### Product Manager (f/m/d)

Driving the evolution of our **content production, audio editing and broadcast solutions**.

As a member of our Customer eXperience Group (CXG), you will contribute to the continuing success of our customer partnerships by delivering superior quality, on time and within scope.

#### The Opportunity

- Shape the future of media, driving its digital transformation
- Grow creative partnerships with customers and colleagues
- Broaden your experience in digital media
- Enjoy work-life balance with flexible hours
- Work in an international culture and a diverse range of extracurricular activities
- Play a key role within self-organizing groups

#### You

- Intrinsically motivated and eager to learn
- A team player with leadership instincts
- Creative in finding elegant solutions within complex technical environments
- A good communicator across different stakeholders and groups
- Studied in field of media technology/computer science or equivalent
- More than 3 years of experience as Product Manager
- Experience in Agile Methodologies is a plus
- Experience with broadcast or digital media workflows is a plus
- Willingness to travel

#### The role

- Build up and expand network with Customers and Partners
- Interface with Product Owners, Marketing, Support and Solution Managers
- Manage product life cycle and be part of the Product Management team
- Drive product discovery phase together with the customer
- Develop Roadmap based on customer success and product vision
- Steer UX decisions according to use cases for customer workflows
- Represent DAVID product portfolio, at different events
